the Holy Spirit, many of them falling to the floor under the power of the anointing of God's Holy Spirit, being ministered to and renewed. It is a wonder how after intense teaching and marriage vow

renewals, comes a victory march. In a youthful move in this city where the youth were being swayed by social media a visitation of the Lord sparks renewal and revival

## Pastor Enoch John goes home to be with the Lord

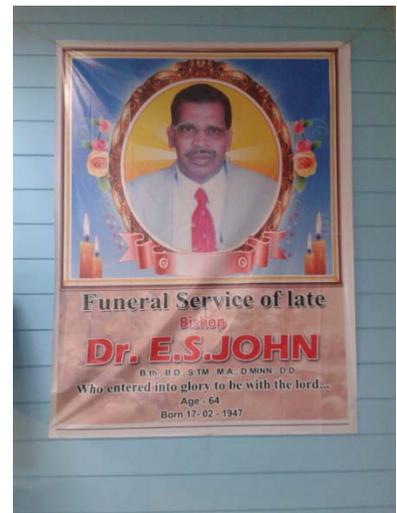

Dear Sir,

Thank you so much for all the help Dad always used talk about you and your family and God will really bless you and your family richly. Please pray for our family and the ministry and all Dads' visions that we as a family will try to fulfill.

Please be a pray for the ministry and we need your Guidance and continued support so that we can hold hands and work for the Kingdom of God.

Please be a part of our ministry and we would really love to have you in India some time with your family.

Thank you so much for the loving gift, I am telling this as a testimony. The day before I received your mail about the western union, we had bill which was pending for some time and the person whom we had to pay was calling us and asking to pay his bill, we were praying to God to arrange for the required money. we didn't know how we were going to pay but we promised him that we will clear his bill the next day, and I came back in the night to sleep and some how had a feeling to check the mail, I got up and checked my mail and was amazed to see your mail about the western union transfer, and the most shocking thing was the bill was the exact amount that you sent Rs.9600.

Dear Sir you are really an angel of God and God really speaks to you and we are so blessed to know you, please continue to pray for us and continue to support the ministry.

We will surely continue to pray for you and your family.

In Him, Charles S John

At Home

Praise the Lord, Greetings in this New Year, May God bless us All! Have you received the last letter? After I had sent the last letter, I went to the Pawn centre; there they cash the Western Unions. They almost did not believe with the amount of numbers given to them, they said there should be 10 digits when I only had 9 digits, rather than facing too many demands, I showed the proof letter that you sent, but they still demanded 10 digits for the next transfer. Halleluiah we are just finished with the meeting for the servants of God, gathered 54 people, in addition to the congregants of another 100 more. The atmosphere of praise and worship was so supernatural, for five days. There was so much inner healing, the sick were healed, the family like atmosphere flowed so much that the people with cooking duty were dancing in the Lord. The sacrifices of you were not futile, helped to make this event a reality. God bless and an award awaits you. In the month of July about 26-28 I go to Bali to participate in the women's meeting for all of Indonesia, August in Lawang (the main center for the Holy Way Church). But I only pray for this is a rather large sum, help us in prayer.

We are at this moment organizing things for a wedding of members from the Mahumu congregation. The Lord Jesus blesses you. Love to all the children and friends of one ministry. P.S. Continue in your prayers: Far in the eye but close at heart, the work of God at the Puslatal (Bible Training Center).

## Healings follow 4 Team Ministry on Mahumu Island

I have just received your letter because I just got back from ministering in Mahumu Island for one week, together with the four of us. The hand of God was extraordinary. Many who are sick were healed, the rain of the Holy Spirit poured out in a new way. His people were really satisfied. Soon I will be going to Taowali many GMIST (Protestant Church) people who are thirsty and sick will be prayed for. Praise the Lord. I have gone to the post office but did not get serviced because they said that the number given was short one digit. They said there should only be 9 digits, but pray for this. Have a good time serving the Lord, and thank you for the blessing. Emmanuel.

Love and kisses to the sweet children, could you leave Juliana in Sangir Islands. My cellular number is 085217472879.

Shalom: E.V.T

## Holy Way USA Arise!

This period for the Holy Way USA or the Body of Christ is similar to two periods in Israel's history: Ezra 4:24 and the period during Samuel's reign as judge when the Ark of the Covenant sat in a tent in 1 Samuel :

[7:2](#) So it was that the ark remained in Kirjath Jearim a long time; it was there twenty years. And all the house of Israel lamented after the LORD.

[7:3](#) Then Samuel spoke to all the house of Israel, saying, "If you return to the LORD with all your hearts, [then] put away the foreign gods and the Ashtoreth's from among you, and prepare your hearts for the LORD, and serve Him only; and He will deliver you from the hand of the Philistines."

[7:4](#) So the children of Israel put away the Baal's and the Ashtoreth's, and served the LORD only.

With only 2 of the 28 properties of THW developed, and Close to at least 35 of us having tasted the Goodness of the Lord, strategically placed throughout 27 states. Normal church lacking plurality of leadership, the free expression of the gifts of prophesy and new psalms, an eschatology, end time teaching to endure to the end instead of a quick Rapture escape. We need to arise. In simple ways around us we can minister to children in our neighborhoods, begin a new to renew old friendships, to encourage each other. In prayer and supplications we could pray for a revival in the American church. We are also to pray for a restoration in the inner city. We are to pray for unemployment in places 19% among Black Men in America and Homicides victims among Black males and Hispanics. Let us be instruments of change to one person at a time. It is time for us again to complete God's house and to face the opposition from within our selves.
